To amend the Lacey Act Amendments of 1981 to clarify provisions enacted by the Captive Wildlife Safety Act, to further the conservation of certain wildlife species, and for other purposes.

IN THE HOUSE OF REPRESENTATIVES

SEPTEMBER 17, 2015

Mr. JONES (for himself, Mr. FARENTHOLD, Mr. FITZPATRICK, Mr. JOLLY, Mr. FRELINGHUYSEN, Mr. UPTON, Mr. LOBIONDO, and Ms. LORETTA SANCHEZ of California) introduced the following bill; which was referred to the Committee on Natural Resources

A BILL

To amend the Lacey Act Amendments of 1981 to clarify provisions enacted by the Captive Wildlife Safety Act, to further the conservation of certain wildlife species, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 SECTION 1. SHORT TITLE.

4 This Act may be cited as the “Big Cat Public Safety
5 Act”.

6 SEC. 2. FINDINGS.

7 Congress finds the following:

1 (1) The global illicit trade in wildlife may be
2 worth up to \$20,000,000,000 annually and the value
3 of legal wildlife trade in the United States was re-
4 cently estimated at \$2,800,000,000 annually.

5 (2) The illegal trade in prohibited wildlife spe-
6 cies (as defined in section 2(g) of the Lacey Act
7 Amendments of 1981 (16 U.S.C. 3371(g))) stimu-
8 lates demand and expands markets in which those
9 species can be illegally sold.

10 (3) The private possession, breeding, and sale
11 of prohibited wildlife species has a substantial and
12 detrimental effect on the health and general welfare
13 of the people of the United States and on the con-
14 servation of the species themselves.

15 (4) Private possession and breeding of prohib-
16 ited wildlife species have a substantial and direct ef-
17 fect on interstate commerce because prohibited wild-
18 life species are frequently bred and possessed to be
19 used in public exhibition or for sale or transfer of
20 ownership in the exotic pet trade, and are often
21 transported in interstate commerce for these pur-
22 poses.

23 (5) Private possession and breeding of prohib-
24 ited wildlife species contributes to the interstate

1 traffic in those species and may contribute to illegal
2 international wildlife trade.

3 (6) Prohibited wildlife species in private posses-
4 sion, or distributed intrastate, are fungible commod-
5 ities that cannot be differentiated, in terms of con-
6 trol, from prohibited wildlife species possessed or
7 distributed interstate.

8 (7) It is exceedingly difficult to distinguish be-
9 tween prohibited wildlife species that are possessed,
10 bred, sold, or transported in interstate commerce
11 from those that have not been.

12 (8) Federal control of the intrastate private
13 possession and breeding of prohibited wildlife species
14 is essential to the effective control of the interstate
15 incidents of traffic in prohibited wildlife species.

16 (9) The United States is a party to the Conven-
17 tion on International Trade in Endangered Species
18 of Wild Fauna and Flora, which was designed to
19 protect species of wild fauna and flora against over-
20 exploitation through international trade.
